

Witch's Reign (Desert Cursed, #1) I am cursed by the desert I was born in, and now I wander the space between the Walls meant to hold my kind-the supernatural kind- in. If I can find a way out, if I can find a way to escape, perhaps I can outrun this curse. But that means passing through the Ice Witch's realm-something no one has re I am cursed by the desert I was born in, and now I wander the space between the Walls meant to hold my kind-the supernatural kind- in. If I can find a way out, if I can find a way to escape, perhaps I can outrun this curse. But that means passing through the Ice Witch's realm-something no one has returned from. But life has a funny way of changing directions on you. A freak accident. A child in danger. And a damn Warlock named Merlin who thinks he can manipulate me. It looks like I'm about to start a journey I never planned on, to face a Witch who has never been challenged, in an attempt to survive a storm of magic, danger, and trickery. ...more
