

Winter Wolf (New Dawn, #1) Katalina Winter was prepared for life to change when she turned eighteen—but she never expected to actually change. Learning that her birth parents were purebred wolf shifters is shocking enough. Now she’s expected to take her place in their unfamiliar world. Caught between two warring packs, Katalina Winter was prepared for life to change when she turned eighteen—but she never expected to actually change. Learning that her birth parents were purebred wolf shifters is shocking enough. Now she’s expected to take her place in their unfamiliar world. Caught between two warring packs, Katalina must learn fast. One pack, led by the father she has only just met, wants to control her—and the other one wants her dead. However, there is one bright spot to shifting, and his name is Bass Evernight. Tall, dark, and oh-so-handsome, Bass is the wolf that Katalina craves. He’s also strictly forbidden: a member of Dark Shadow, Bass is the son of her father’s mortal enemy. Yet deep down inside, Katalina’s new primal instincts howl that Bass is her mate. Can their love bring an end to the brutal war that has raged for so long, or will it spark the fighting around them into an all-consuming fire?
