book PDF Download

**One S&#39;more Summer (The Campfire Series, #1)** Since that first bus ride to Camp Chinooka twenty long years ago, Gigi Goldstein has been pining for her best friendâ€™s guy. She knows her crush is wrong and has to stop, but her heart wonâ€™t listen to reason. To escape the agony of their impending wedding, Gigi accepts a summer job at the only place sheâ€™s ever been happy. But working at Chinooka isnâ€™t all campfire songs and toasting marshmallows. Gigiâ€™s girls are determined to make her look bad in front of the boysâ€™ Head Counselorâ€”the sexy but infuriating Perryâ€”and every inch of the campground is laced with memories. When Gigi realizes she canâ€™t fix the present by hiding in the past, sheâ€™s forced to reexamine her choices. Maybe everything she thought she wanted wasnâ€™t what she actually needed... But if she can get her act together, Gigi might have one last shot at the summer love of her dreams.
