Working as the only human barista at a coffee shop catering to the magical is a tough gig on a good day. Bailey Gardener has few options. She can either keep spiking drinks with pixie dust to keep the locals happy, or spend the rest of her life cleaning up the world's nastiest magical substances. Unfortunately for her, Faery Fortunes is located in the heart of Manhattan Island, not far from where Police Chief Samuel Quinn works. If she'd been smart, she never would have agreed to help the man find his wife. Bailey found her, all right—in the absolutely worst way possible. One divorce and several years later, Bailey is once again entangled in Chief Quinn's personal affairs, and he has good reason to hate her. Without her, he wouldn't be Manhattan's Most Wanted Bachelor, something he loathes. Without her, he'd still be married. If only she'd said no when he asked her help, she might have had a chance with him. While her magic worked well, it came with a price: misfortune. Hers. When Quinn's former brother-in-law comes to her for help, he leaves her with a cell phone and seventy-five thousand reasons to put her magic to the test. However, when she discovers Quinn's ex-wife is angling for revenge, Bailey's tossed in the deep end along with her sexiest enemy. ...more [Playing with Fire: A Magical Romantic Comedy PDF ebook](#)
