This is how a family lives happily ever after—until happily ever after becomes complicated. This is how children change—and then change the world. This is Claude. He's five years old, the youngest of five brothers, and loves peanut butter sandwiches. He also loves wearing a dress, and dreams of being a princess. When he grows up, Claude says, he wants to be a girl. Rosie and Penn want Claude to be whoever Claude wants to be. They're just not sure they're ready to share that with the world. Soon the entire family is keeping Claude's secret. Until one day it explodes. This Is How It Always Is is a novel about revelations, transformations, fairy tales, and family. And families with secrets don't get to keep them forever. "This is a novel everyone should read. It's brilliant. It's bold. And it's time." • Elizabeth George, #1 New York Times bestselling author of A Banquet of Consequences ...more This is How It Always Is PDF ebook
