

**Teaching from Rest** In the book of Philippians we are told to be anxious over nothing, and yet we are anxious over everything. We worry that our students will be "behind," that they won't score well on the SAT, get into a good college, or read enough of the Great Books. Our souls are restless, anxiously wondering if so. In the book of Philippians we are told to be anxious over nothing, and yet we are anxious over everything. We worry that our students will be "behind," that they won't score well on the SAT, get into a good college, or read enough of the Great Books. Our souls are restless, anxiously wondering if something else out there might be just a little bit better- if maybe there is another way or another curriculum that might prove to be superior to what we are doing now. God doesn't call us to this work and then turn away to tend to other, more important matters. He promises to stay with us. He assures us that if we rely on Him alone, then He will provide all that we need. What that means on a practical level is that we have to stop fretting over every little detail. We need to stop comparing. We've got to drop the self-inflated view that we are the be-all-end-all of whether the education we are offering our students is going to be as successful as we hope it is. After all, our job is not to be successful- success itself is entirely beside the point. It's faithfulness that He wants. Teaching from Rest offers inspiration, insight, and practical help for the homeschooling mom. Take a deep breath homeschooling mama; He's got this. What others are saying about the book: "In Teaching from Rest, Sarah beautifully reminds us that we will never be able to give our children the 'perfect' education. Instead of crumbling under the weight of our attempts to do so, we can let the burdens fall off our tired backs." -Jamie Martin, editor of simplehomeschool.net and author of Mindset for Moms and Steady Days "Teaching from Rest is the book equivalent of a warm cup of tea. It will fill even the most frantic, overwhelmed homeschooling mom with a deep sense of peace." -Jennifer Fulwiler, author of Something Other than God "You need this ebook. In it is wisdom that takes my breath away. It's both spiritual and practical--truly one of those rare, life-changing messages that no mother should miss." - Elizabeth Foss, author of Small Steps for Catholic Moms Visit [teachingfromrest.com](http://teachingfromrest.com) to download the corresponding journal and audio companion. ...more Teaching from Rest PDF ebook
