

**Robinson Crusoe** Crusoe (the family name corrupted from the German name "Kreutznaer") sets sail from the Queen's Dock in Hull on a sea voyage in August 1651, against the wishes of his parents, who want him to pursue a career, possibly in law. After a tumultuous journey where his ship is wrecked in a storm, his lust for the sea remains so strong that he sets out to sea again. This journey, too, ends in disaster, as the ship is taken over by Sale pirates (the Sale Rovers) and Crusoe is enslaved by a Moor. Two years later, he escapes in a boat with a boy named Xury; a captain of a Portuguese ship off the west coast of Africa rescues him. The ship is en route to Brazil. Crusoe sells Xury to the captain. With the captain's help, Crusoe procures a plantation. Robinson Crusoe is a novel by Daniel Defoe, first published on 25 April 1719. This first edition credited the work's fictional protagonist Robinson Crusoe as its author, leading many readers to believe he was a real person and the book a travelogue of true incidents. It was published under the considerably longer original title *The Life and Strange Surprising Adventures of Robinson Crusoe, Of York, Mariner*. ...more Robinson Crusoe PDF ebook
