

**Hot Asset (21 Wall Street, #1)** A sexy agent hounds Wall Street's hottest new wolf in an exhilarating novel from New York Times bestselling author Lauren Layne. Ian Bradley is the definition of a Wall Street hotshot: seven-figure salary, designer suits, and a corner office. His drive off the floor is just as potent. Every woman who knows him has felt the rush. But now he's met his match in Lara McKenzie—a woman with the power to bring Ian to his knees. An ambitious, whip-smart daughter of FBI agents, Lara is a rising star in fighting white-collar crime. Her latest case—the investigation of Ian Bradley for insider trading—could make her career. She knows a scoundrel when she sees one. Ian fits the bill: a cocky, ridiculously handsome bad boy with a slick swagger. She'll do anything to prove he's guilty. He'll do anything to prove he's not. But it's only a matter of time before their fierce battle of wits gets oh so hot and personal. Now, taking down Ian has become more than business for Lara. It's become a pleasure—and there's more at risk than she ever dreamed. ...more [Hot Asset \(21 Wall Street, #1\) PDF ebook](#)
